Information:

It is **essential** that all Student & Teachers have waterproof gear as the weather conditions in the mountains can change rapidly. Thredbo Sports at Valley Terminal has a range of waterproof jackets and pants available for rental, suitable for school groups.

For pricing please contact Thredbo Groups on (02) 6459 4246.

Many students are not properly equipped for a walk in the alpine zone. It is essential that teachers make everyone aware how quickly the weather can change and to be prepared for any conditions. Blizzards and cold winds at below zero temperatures are not uncommon in summer in the mountains. These conditions can be enjoyed if people are properly prepared. The guides make the final decision on whether anyone is not properly equipped for the day, which may result in a student having to miss an activity.

What to Bring:

- Waterproof jacket and pants**
- Warm jacket and a warm wool or fleecy jumper (Mid Layer)**
- Solid walking shoes, preferably boots (no sandals) (No Open Footwear)**
- Hat, sunglasses and SUNSCREEN**
- Water - at least 1 litre per person**
- Lunch and snacks**
- Gloves and warm hat**
- Daypack to carry the above**
- Insect repellent (optional)**

Information presented is correct at time of printing however, Kosciuszko Thredbo Pty Ltd ABN 95 000 139 015 reserves the right to change at any time without notice, specifications, activities or prices without incurring obligations.
