RULES FOR INDIVIDUAL ENTRIES

- To qualify for a result, the Super Enduro requires individual riders to compete on all three trails
- Riders can only use one frame and fork setup during competition
- Each bike will have an official Thredbo Super Enduro decal placed on the frame and fork leg during scrutineering prior to the event on Sunday morning
- Individual racers without the official decals will not be permitted on any race course during competition
- All bikes must have front suspension and two working brakes
- Wheelsets/tyres can be changed in the pit area
- Repairs and maintenance can be performed by mechanics/riders in the designated pit area
- Suspension repair can only be performed in the pit area
- Riders can perform basic repairs off the racing line on the outside of the race tape, but with no outside assistance
- There is no limit to the amount of runs a rider can do within the allocated time slot; however, a rider must post a minimum of one time on each course to post a result
- Full face helmets and knee protection are mandatory for ALL competitors on the Cannonball Downhill stage of the event
- There will be free full-face helmet hire available from the Thredbo MTB Shop to be used just for the Cannonball Downhill
- Full finger gloves, long sleeves or elbow pads are mandatory for Under 17s, Under 15s and Under 13s for the Cannonball Downhill stage of the event
- Open face helmets are allowed on the Flow trail and All Mountain trail stages of the event
- Passing is allowed and will be explained along with other specific race regulations at the competitor briefing
- Reruns or disputes can only be resolved by the Race Director and Chief Commissaire. Their decision is final
- All competitors must attend the Rider Briefing within the Event Hub on Sunday 23rd February
- Individual and team entries are separate. Individual riders / results will not be permitted to cross over or qualify for any team results or make up a team member. Rules and regulations for team entries are different
- Concussion Rule
Any rider that sustains a concussion during practice or racing may not be allowed to continue riding for a period of time deemed appropriate by Thredbo's medical staff and this decision will be final
- E-Bikes must be pedal assist only (no twisting throttle) and cannot be more than 30kg in weight

ALL RULES ARE UP TO THE DISCRETION OF THE RACE DIRECTOR AND/OR COMMISSAIRE
THEIR DECISION WILL BE FINAL
