RISK WARNING:

RECREATIONAL ACTIVITIES (INCLUDING SKIING, SNOWBOARDING, MOUNTAIN BIKING AND TO A LESSER DEGREE HIKING) INVOLVE A SIGNIFICANT RISK OF PHYSICAL HARM OR PERSONAL INJURY INCLUDING PERMANENT DISABILITY AND/OR DEATH TO PARTICIPANTS. ANY SUCH INJURY MAY RESULT NOT ONLY FROM YOUR ACTIONS BUT FROM THE ACTION, OMISSION OR NEGLIGENCE OF OTHERS.

Issued by Kosciuszko Thredbo Pty Ltd (referred to throughout as 'us', 'we', 'our') as operator of Thredbo Resort

TERMS AND CONDITIONS OF USE

By using your lift pass or accessing the mountain you acknowledge that you have read and understood, and agree to be bound by, these Terms and Conditions of Use. Any adults who are parents or guardians of children who are unable to accept these Terms and Conditions of Use in their own capacity, do so on their behalf and must ensure they comply with them. Separate and additional terms and conditions may apply to the use of some of our facilities, equipment and services.

These Terms and Conditions of Use refer to various rights that may be exercised in our discretion, and the discretion of our staff. Mountain based recreational activities can be dangerous, and as a result we need the right to do so. We will, however, endeavour to ensure those rights are exercised in accordance with all applicable laws, and having regard to the need to protect staff, customers, property and equipment.

General provisions:

1. You must observe our COVID-19 Safety Guidelines and (for snow sports) the Alpine Responsibility Code (both as set out below, and as updated in our discretion by notices displayed throughout the mountain) and conduct yourself in a safe, responsible and controlled manner at all times.
2. The use of any snow or mountain sport equipment or devices, whether recreational or otherwise, other than skis or snowboards during our snow season and mountain bikes when permitted, or other equipment we approve in our discretion, is not permitted within the resort boundary.
3. You must read and comply with all signs and follow all directions given in the discretion of us and our staff, and by any public health official or law enforcement officer.
4. You acknowledge that the risks associated with mountain based recreational activities are not always prominent, conspicuous or physically observable and you accept those risks nonetheless.

Limitations and exclusions of liability:

5. This section contains limitations and exclusions on our liability. Those limitations and exclusions are not intended to apply in any circumstances where the law does not permit us to do so, whether under the Competition and Consumer Act 2010 (Cth), the Civil Liability Act 2002 (NSW) or otherwise.
6. You engage in any recreational activity at your own risk, and we are not liable for breach of any warranty that services we provide will be rendered with reasonable care and skill.
7. Where we provide "recreational services" as defined in the Competition and Consumer Act 2010 (Cth) (which include sporting activities or similar leisure time pursuits), we exclude all liability for personal injury (as defined below) in connection with our failure to comply with any guarantees applying under that legislation. For these purposes, "personal injury" means:
 - a. death;
 - b. any physical or mental injury of an individual (including the aggravation, acceleration or recurrence of such an injury);
 - c. the contraction, aggravation or acceleration of a disease of an individual; and
 - d. the coming into existence, the aggravation, acceleration or recurrence of any other condition, circumstance, occurrence, activity, form of behaviour, course of conduct or state of affairs in relation to an individual:
 - i. that is or may be harmful or disadvantageous to an individual or community; or
 - ii. that may result in harm or disadvantage to an individual or community.
8. We also exclude all liability for personal injury (as defined in clause 7 above) arising on any basis and which is not already excluded under these Terms and Conditions of Use, unless caused by our reckless conduct.
9. All warranties, representations, terms or conditions relating to the services we provide (whether express or implied and whether arising out of contract, at common law or under statute) not set out in these Terms and Conditions of Use are excluded. However nothing limits our liability for representations or other communications (either oral or written) made by us, where by law such liability cannot be excluded.
10. We are not liable to you (on any basis) for any indirect or consequential loss or damage.
11. The term "including" in these Terms and Conditions of Use is not a term of limitation.
